Boost Run Announces Preliminary Inclusion in the Russell 2000® and Russell 3000® Indexes

September 17, 2026

NORTHBROOK, Ill.--(BUSINESS WIRE)--Sep. 17, 2026-- Boost Run, Inc. (Nasdaq: BRUN) ("Boost Run" or the "Company"), an NVIDIA Preferred Cloud Partner operating in adherence with NVIDIA Reference Architecture standards, today announced the Company's preliminary inclusion in the Russell 2000® and Russell 3000® Indexes as part of FTSE Russell's quarterly IPO additions.

Boost Run's inclusion in the indexes is expected to become effective after market close on Friday, September 18, 2026, subject to FTSE Russell's final review and reconstitution. The reconstituted Russell 2000® and Russell 3000® Indexes are expected to commence trading at market open on Monday, September 21, 2026.

"Our inclusion in the Russell 2000® and Russell 3000® Indexes marks an important milestone for Boost Run and reflects the foundation we have built as we continue to scale the business," said Andrew Karos, Founder, Chairman and Chief Executive Officer of Boost Run. "We remain focused on executing our long-term growth strategy and creating value for our shareholders, while increasing awareness of Boost Run within the market."

The Russell U.S. Indexes are widely used by investment managers and institutional investors for index funds and as a benchmark for active investment strategies. Approximately $12 trillion in assets are benchmarked to the Russell U.S. Indexes.

About Boost Run, Inc.

Boost Run is an NVIDIA Preferred Cloud Provider that has also achieved NVIDIA Exemplar Cloud status on the NVIDIA Blackwell architecture. The Boost Run platform provides GPU compute, CPU nodes, managed Kubernetes orchestration, and shared storage through an intuitive management console and a robust API layer, enabling organizations to provision and scale resources across thousands of nodes in minutes. Enterprises rely on Boost Run to power their most demanding AI workloads with the performance, security, and reliability their operations require. Boost Run maintains SOC 2 Type II, HIPAA, ISO 27001, and ISO 27701 certifications at the operator level, and partners with data center facilities that uphold equivalent security and compliance standards.

Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the federal securities laws. Forward-looking statements include, without limitation, statements regarding the Company's warrant exercise program; the number of public warrants outstanding; the Company's expected use of proceeds from warrant exercises; the potential impact of warrant exercises on the Company's capital structure, warrant overhang, trading liquidity, financial flexibility and growth strategy; the Company's plans to invest in AI cloud infrastructure, HPC capacity and GPU capacity; customer demand for AI compute; the Company's engagement with management, its sponsor syndicate and other stakeholders; and any future disclosures regarding material developments. Forward-looking statements are based on the Company's current expectations, estimates, assumptions and beliefs and are subject to risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied by such statements.

These risks and uncertainties include, among others, risks related to the willingness and ability of warrant holders to exercise warrants; the Company's ability to realize expected benefits from warrant exercises; market, trading and other conditions affecting the Company's securities; changes in demand for AI cloud infrastructure, HPC solutions and GPU capacity; the Company's ability to execute its growth strategy; the Company's ability to access capital on favorable terms or at all; competitive, technological and operational risks; and the risks and uncertainties described in the Company's filings with the U.S. Securities and Exchange Commission, including under the heading "Risk Factors." Forward-looking statements speak only as of the date of this press release. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
